

THE PROPOSED A46 EXPRESSWAY

An Invitation to residents of affected Parishes to **OPPOSE** this plan

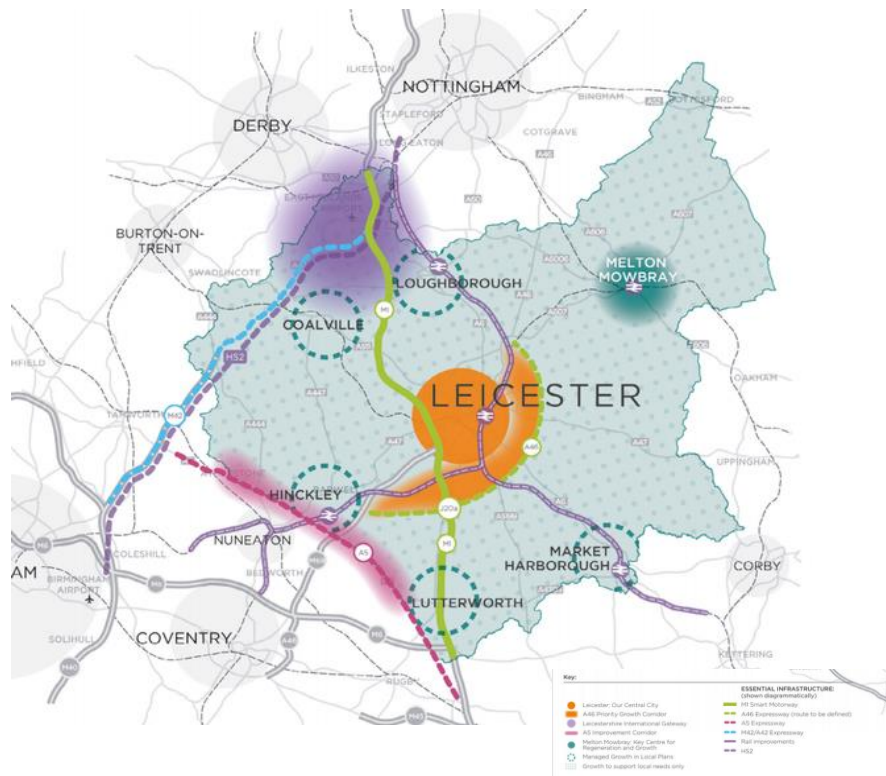

Come and find out how this affects you and the whole of South
and East Leicestershire

7.00pm on 4th April 2019

@ The Coplow Centre, Uppingham Rd, Billesdon,
Leicester LE7 9FL.

All the Leicestershire Councils have now approved a Strategic Growth Plan that includes the construction of a new 70 mph Dual Carriageway Expressway through South and East Leicestershire from the M69, via a new junction J20A on the M1, to the A46 at Syston.

In addition, there will be 38,000 new homes and huge Employment Development in the arc around the east and south of Leicester on the map.

We need to challenge this NOW

Three organisations, Campaign to Protect Rural England Leicestershire (CPRE Leicestershire), South and East Leicestershire Action Group (SELAG) and Willoughby Waterleys Residents' Association (WWRA) have come together to seek support from all the Parishes and Villages along the potential route of the new A46 Expressway who would be affected by the **MASSIVE** development that will come with it.
